Hosting server

We host our website on a server provided by Hostinger in the UK. The servers automatically record information created by your use of our website ("Log Data"). No cookies are set on your device to do this. Log Data may include information such as your IP address, browser type, operating system, the referring web page, pages visited, country you are in, your mobile carrier, device and application IDs, search terms, and cookie information. This information is used to diagnose and improve the hosting service and our website.

Embedded content from other websites

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

How we collect your data

Who we share your data with

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law to do so.

How long we retain your data
